

101.09 AIR POLLUTION CONTROL FEES

Fees collected by SCCGHD’s Akron Regional Air Quality Management District shall be as provided in the following table:

EMISSION UNIT PERMIT PROCESSING AND/OR INSPECTION FEES:		
Actual emission for the facility is defined as the amount of air emissions as reported to the Ohio EPA via the Fee Emission Report, including fugitive emissions. If the Fee Emission Report is not submitted to the Ohio EPA in time for this mailing, the local fee will default to the maximum of the category the permit is subject to be changed, unless the actual emissions can be identified prior to October 1 of each year. Tax supported facilities in categories (b) through (f) and (h) are exempted from fees.
