While in vehicles protect yourself and others from COVID-19 by taking these precautions.

- **When possible, don’t ride in a vehicle with members of different work crews or households.**
- **Between trips, clean keys and vehicle areas that are often touched.**
- **When in vehicles with others, stay as far apart as possible.**
- **Travel with windows down if possible.**
- **Use hand sanitizer before getting in and after getting out.**
- **Disinfect fuel pump handles and touch screens or use a disposable towel or other covering. Wash or sanitize hands immediately after use.**
