

COVID-19 Positive Checklist for Employers

What to do when you are notified of a COVID-19 positive person associated with your organization.

Immediately isolate and seek medical care for any individual who develops symptoms.

Contact the local health district about suspected cases or exposure.

If possible, shut down the area for deep sanitation

It is recommended that, if possible, work with local health department to identify potentially infected or exposed individuals to help facilitate effective contact tracing/notifications.

It is recommend that, if possible, once testing is readily available, test all suspected infections or exposures.

It is recommended that, if possible, following testing, contact local health department to initiate appropriate care and tracing.
