Thank you for choosing Summit County Public Health as your dental health care provider. We are committed to building a successful doctor-patient relationship with you and your family. Your clear understanding of our patients’ financial responsibility is important to our professional relationship. Please understand that payment for services is a part of that relationship. Please ask if you have any questions about our fees, our policies, or your responsibilities. It is your responsibility to notify our office of any patient information changes (i.e. address, name, insurance information, etc.).

**Insurance Claims**

As a courtesy to you we will gladly process your insurance claim forms. Our responsibility is to provide you with the treatment that best meets your needs, which may not match your care to insurance plan limitations. As such, many routine and necessary dental services are not covered even though you may need those services. Therefore all charges are your responsibility. If we are out of network for your insurance company and your insurance pays you directly, you are responsible for payment and agree to forward the payment to us.

Please realize you are financially responsible for all charges incurred, regardless of insurance coverage.

All insurance co-pays and deductibles must be paid at the time service. Also, please be aware past due accounts, over 90 days, will be suspended from scheduling until the past due balance is paid.

**Self-pay Accounts**

Self-pay accounts are patients without insurance coverage or patients without insurance information on file with us. It is always your responsibility to know if our office is participating with your plan. If there is a discrepancy with information provided to us by you, you will be considered self-pay until the correct information is provided. Self-pay patients will be required to make payment at time of service.

**Minimum Fee $25.00 per visit $30.00 for extractions**

**Sliding Fee Accounts**

If you are a Summit County Resident, are uninsured and have a low income, you may qualify for a sliding fee discount for your dental services. This program is made available by Summit County Public Health to provide dental care for people who otherwise may be unable to afford it. The discount applies only to office visits provided by our clinic staff; lab services billed by our clinic may be reduced but will not be charged at less than our cost.

If you wish to qualify for the sliding fee, you must show proof of gross annual income for all family members living in your household. If you appear to be eligible for Medicaid, we will assist you with the application. Eligibility for the sliding fee discount program will be re-assessed if you are denied. Failure to comply with the Medicaid application process will cause you to be ineligible for our sliding fee discount program.

**Minimum fee $25.00 per visit $30.00 for extractions**

**Lab services**

If dentures, partial dentures, crowns and/or bridges, retainers, mouth guards or night guards are to be fabricated by a dental laboratory, a 50% deposit will be required at the time of the first impression. The remaining balance is due at the time the prosthesis is cemented or inserted, unless other arrangements have been approved by the dental office.
**No show and cancellation policy**

We understand that situations arise in which you must cancel your appointment. It is therefore requested that if you must cancel your appointment you provide more than 24 hours’ notice. This will enable for another person who is waiting for an appointment to be scheduled in that appointment slot. With cancellations made less than 24 hours’ notice, we are unable to offer that slot to other people.

Clients arriving more than 15 minutes late for an appointment may be asked to reschedule and/or may be considered a no show. Late arrival and cancelling with less than 24 hours’ notice may be considered no-showing an appointment.

Our time is valuable and so is yours. If you’re late for your appointment, you lose that time. Three (3) missed appointments without giving a 24 hours’ notice to cancel you will be unable to schedule an appointment for 6 months. Clients may be able to call for availability of a same day appointment. You may call each day to check for open appointment times.

Every effort will be made to provide ongoing dental care to all clients of Summit County Public Health Dental Clinic. This dental practice does not discriminate in providing care to a patient due to race, color, sex, religion, national origin, age, handicap, or any other factors prohibited by law.

Please let us know if you have any questions or concerns.

**Please bring a list of all medications currently taking to your appointment.**

Treatment Waiver and Release

I authorize Dr. Jennifer Kale and/or such associates or assistants as she may designate to perform those procedures as may be deemed necessary or advisable to maintain my dental health or the dental health of any minor or other individual for which I have responsibility, including arrangement and/or administration of analgesic, therapeutic, and/or other pharmaceutical agent(s), including those related to restorative, palliative, therapeutic or surgical treatments.
