

Ohio Person in Charge Training

presented by
1st Choice Food Safety Training LLC

Ohio Person in Charge (PIC) Certification in Food Protection is a mandated training for the designated person in charge for each shift of a risk level I, II, III, and IV food service operation or retail food establishment if any of the following apply:

- A food service operation or a retail food establishment initially licensed after March 1, 2010 unless the individual has successfully completed an equivalent or more comprehensive manager certification in food protection course (Manager Certification).
- A food service operation or retail food establishment has been implicated in a foodborne disease outbreak.
- The licensor has documented a failure to maintain sanitary conditions in accordance with section 3717.29 of the Revised Code for a retail food establishment or section 3717.49 of the Revised Code for a food service operation.
