

Manager Course presented by 1st Choice Food Safety Training LLC

The ServSafe Manager Course from The Educational Foundation of The National Restaurant Association is recognized by health departments across the country as the “industry standard” and as the leading course in certifying food owners, operators, and managers who want to become certified in food protection.

This course meets the requirements of the Ohio Uniform Food Safety Code Manager Certification per code 3717-1-02.4(A)(2). Those who complete the two day course and pass the exam will receive a ServSafe Manager Certificate and a Manager Certification in Food Protection from the Ohio Department of Health.
