## NORTHEAST OHIO PARKS URGE PUBLIC'S COOPERATION TO REMAIN OPEN DURING COVID-19

Several Northeast Ohio park organizations are jointly requesting the public's assistance in keeping parks operating safely during a visitor surge due to the COVID-19 public health emergency. As an essential service under Ohio's stay-at-home order, parks are playing a vital role in supporting the community's mental and physical health.

For a safe visit, Cleveland Metroparks, Cuyahoga Valley National Park, the Conservancy for Cuyahoga Valley National Park, the Ohio & Erie Canalway Association and Summit Metro Parks urge park visitors to:

- **Think First:** Stay home if you are sick or exhibiting symptoms.
- **Wash Hands:** Wash your hands before coming to the park, carry hand sanitizer and avoid touching picnic tables, railings and benches.
- **Keep Your Distance:** Maintain 6 feet between yourself and others and give warning before passing on the trail.
- **Come Prepared:** Bring your own drinking water, carry out your trash and be prepared for restroom closures.
- **Respect Closures:** Playgrounds, exercise stations, shelters and other amenities are closed for public safety. Also, please bypass busy areas for quieter ones.
- **Stay in Touch:** Parks are implementing dynamic closures and are updating their websites with the latest information.
